

OUR FINANCIAL POLICY

We are committed to providing you with the best possible care. If you have dental insurance, we are always willing to help you receive your maximum allowable benefits. In most instances we accept assignment of insurance benefits, in which case, your portion of each service (copayment) is due at the time services are rendered.

We accept CASH, CHECKS, VISA, and MASTERCARD. Financing is also available through CareCredit. (www.carecredit.com)

Important Information

Each insurance contract has a unique reimbursement schedule based on negotiations between you, your employer, and the insurance company. We spend a great deal of energy estimating your insurance company benefits but **we cannot and do not guarantee insurance company reimbursements**. Not all services are covered benefits in all contracts. Some insurance companies arbitrarily select certain services they will not cover.

Should your insurance take longer than 60 days to pay, we transfer the entire balance to your account.

Returned checks are subject to an additional fee. Charges may be incurred for broken appointments and appointments cancelled without 24 hours notice.

We emphasize that as dental care providers, our relationship is with you, not your insurance company. While the filing of insurance claims is a courtesy that we extend to our Patients, all charges are **your responsibility**. We realize that temporary financial problems may affect timely payment of your account. If such problems arise, we encourage you to contact us promptly for assistance in the management of your account.

If you have any questions about the above information or any uncertainty regarding insurance coverage, **Please** don't hesitate to ask us. **We are here to help you!**
